Subject: Let us vote on the idea of a Management Company

I know this is a very difficult time to be an RD Supervisor. I appreciate each of you is doing what you think is best for the Club. But I believe you owe it to the community to take a vote of all members and residents whether we want you to pursue a management company. That is a MAJOR departure for UPCC; we should have a say on such a profound change of direction for the Club. While I do not know the man, I understand many people, including the staff, are very pleased with Joe Rassett. Why are you not considering hiring him on a permanent basis instead of going corporate? Please respond to this query.
