Subject: Proposed rstrictions on potential UPRD Board candidate Rusty Piersons

Greg,

Your proposed restrictions should you select Mr. Piersons to UPRD Board are ridiculous. Why do you suggest he have such restrictions and responsibilities when you and other present or past Board have no such restrictions? If you feel such restrictions are so important, may I strongly encourage you to accept the responsibilities under same restrictions. Should you elect not to do so are you going to require your preferred candidate to accept same or any potential future candidate?

Respectfully,
Lee
