

## Recreation District Election

Dear University Park Residents and/or Homeowners,

It has come to our attention that some of the recent mailings related to the upcoming University Park Recreation District (UPRD) Board of Supervisors election process have been returned to us by the US Postal Service. We will be confirming resident address information and resending these today. Please be on the look out for these in the coming days!

However, due to time sensitivity, notably the deadline for Candidate Nominations being tomorrow, October 9<sup>th</sup> at Noon, we also wanted to share the contents of the mailings via this email and also inform you all information can be found on the UPRD website (<http://universityparkrd.com>).
