4. The Board shall approve any decision of the District Manager to contract with a third party which would result in: 1) an expenditure above what is budgeted for the Construction Services or Non-Construction Services; or 2) an expenditure which exceeds the original contract amount for the Construction Services or Non-Construction Services by more than ten percent (10%) or Ten Thousand Dollars (\$10,000).
5. A written explanation of the final decision shall be sent to the Provider, via certified mail, within five (5) business days from the date on which such final decision is made. A copy of the written explanation of the final decision shall be provided to the Chairperson of the Board simultaneously with the certified mailing to the Provider.
6. If a Provider does not accept in writing the final decision within five (5) days after receipt by the Provider, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third party purchases from amounts owed to the Provider. If the costs of the third party purchases exceed the amount the District owes to the Provider, the District may seek to recover such excess from the Provider in a court of law or as otherwise provided in an agreement between the District and the Provider. Nothing contained herein shall limit or affect the District's ability to enforce all of its legal and contractual rights and remedies against the Provider.

VIII. Purchases Involving Federal Funds or Bond Funds

When the District intends to pay for a purchase with federal funds or bond funds, the District shall make such purchases only upon reasonable assurances that federal funds or bond funds sufficient to cover the cost will be received. When payment is contingent upon the receipt of bond funds, federal funds or federal approval, the public procurement documents and any agreement with a Provider shall clearly state such contingency. (§ 218.77, Fla. Stat.).

IX. Requirements for Construction Services Contracts – Project Completion; Retainage

The District intends to follow the PPA requirements for construction project completion and retainage, including, but not limited to, § 218.735 (7) and (8), Fla. Stat.

X. Late Payment Interest Charges

Failure on the part of the District to make timely payments may result in District responsibility for late payment interest charges. No agreement between the District and a Provider may prohibit the collection of late payment interest charges allowable under the PPA as mandatory interest. (§218.75, Fla. Stat.).

A. Related to Non-Construction Goods and Services

All payments due from the District, and not made within the time specified within this policy, will bear interest, from thirty (30) days after the due date, at the rate of one percent (1%) per month on the unpaid balance. The Vendor must submit a Proper Invoice to the District for any interest accrued in order to receive the interest payment. (§ 218.74 (4), Fla. Stat.).

An overdue period of less than one (1) month is considered as one (1) month in computing interest. Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

B. Related to Construction Services

All payments for Construction Services that are not made within the time periods specified within the applicable statute, shall bear interest from thirty (30) days after the due date, at the rate of one percent (1%) per month, or the rate specified by agreement, whichever is greater. The Contractor must submit a Proper Payment Request to the District for any interest accrued in order to receive the interest payment. An overdue period of less than one (1) month is considered as one (1) month in computing interest. (§ 218.735 (8)(i), Fla. Stat.).

Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

C. Report of Interest

If the total amount of interest paid during the preceding fiscal year exceeds \$250, the District Manager is required to submit a report to the Board during December of each year, stating the number of interest payments made and the total amount of such payments. (§ 218.78, Fla. Stat.).
