Voting and Ballot Management for UPRD Board Supervisor election on Tuesday, February 17, 2026

Mail-in ballot alternatives

1. An intact sealed envelope with ballot inside and with original sender descriptors (name, address, ID#) in upper left corner of envelope arrives at ballot box at UPRD admin office.
2. Intact sealed envelope with ballot inside is returned to UPRD admin office as undeliverable, or return to sender marked, etc. UPRD office researches present location of voter, contacts voter and time permitting, sends new envelope with ballot inside to relocated voter address. Original envelope and ballot destroyed. Official list of eligible voters does not show a ballot cast at this point. If resent envelope with ballot is returned in time to the ballot box, it will be processed as per following procedure outline.
3. Original envelope arrives but opened/unsealed and with or without ballot inside. UPRD administration will attempt to contact the voter and the voter will be asked to submit the vote in a proper sealed envelope.
4. An intact sealed envelope arrives that has the appearance of a voting envelope and may or may not contain a legitimate completed ballot, but is not exactly the same as a voter envelope and/or has some but not all the proper sender ID info on the envelope, etc (i.e. it clearly is not the return voter envelope sent out by UPRD but may in fact be a legitimate voter with a legitimate ballot inside. UPRD Admin or the Election Review Team will attempt to contact the voter and the voter shall be asked to submit in the vote in a proper sealed envelope.
5. An intact sealed envelope arrives, and it is not evident but in fact it contains a proxy vote form (which appoints a proxy to vote) plus an official ballot form. After processing by the election committee, the CPA will open the envelope and discover the proxy contents. However since the originating voter and proxy holder have not followed the required procedure which is to cast the proxy vote in person on election day, the ballot must be cancelled and the vote record associated with the envelope must be negated.

Note: Eligible University Park voters may choose to attend at the UPRD admin office and place their mail-in envelope (with ballot enclosed) in the secure ballot box any time before 5:00 p.m. on Feb 17. Such envelopes/ballots will be extracted from the ballot box and processed as part of the pool of collected ‘mail-in’ ballots, even they were technically not mailed in but dropped off in the ballot box in person.

Walk in ballot alternatives (9:00 am to 12:00 pm Feb 17)

1. Eligible University Park voter walks into the voting station (Varsity Club) with an intact sealed envelope with ballot inside and with original sender descriptors (name, address, ID#) in upper left corner of envelope and is processed by the election committee.
2. Eligible University Park voter walks into the voting station and declares he/she has lost, damaged, destroyed, etc. the mailer package (either or both the return envelope and the ballot) and wishes to vote. Election committee validates voter's ID (voter must show acceptable ID), checks voter property address on voter list to ensure a vote has not yet been cast, then provides a new envelope (with relevant voter name, address, ID number) enabling voter to fill ballot and place in envelope and place envelope in ballot box.
3. Eligible University Park voter walks into the voting station and declares that he/she purchased the property resided in University Park prior to December 31, 2025, and understands or believes that the sale is not yet fully registered in the Manatee County property appraiser data base and/or suspects the property ownership change is not yet updated in the UPRD voter list and hence suspects he/she does not appear as a legitimate voter....and understands he/she is entitled to vote and wishes to do so so (or any combination of the previous descriptors). The Recreation District Manager office (2 staff will be present all election day) will deal with this by: checking the person's ID; checking the voter is not on the voter list as the owner of the property concerned; checking the Manatee County property appraiser list to see if the property ownership is updated to include the new owner; and if all the previous checks do not confirm the new ownership; then check the new ownership by checking the name on the deed of sale and if confirmed, then create a new envelope with new owner ID and with ballot and enable new owner to complete ballot, insert in envelope and place in ballot box.
4. A proxy holder walks into the voting station. The election committee: checks the ID of the proxy holder against the proxy vote form; then checks that the proxy holder has an eligible voter status; then checks that the originating voter is a verified voter who has not yet cast a ballot; then checks off the originating voter/property owner on the voter list as having voted. The proxy holder is provided an envelope with original owner ID on outside and invited to enclose the completed ballot in the envelope, seal it and deposit it in a ballot box.

Note: eligible voters from UP can be proxy holders. Any prospective proxy holder can engage any number of eligible voters, receive a proxy designation/appointment from those legitimate voters, and hold any number of completed Proxy Vote Forms which if filled out correctly will designate the proxy holder to vote as a proxy for the originating voter that has signed and appointed that proxy holder. The proxy holder must collect the signed proxy form and an Official Ballot Form from each originating voter. The proxy holder can cast the vote by presenting the signed proxy form and Official Ballot Form to the election committee on election day between 9 am and

12 noon and upon validation can submit the ballot into the ballot box. Note that the Official Ballot form collected from the originating voter can be used by the proxy holder in any of three ways:

1. Ballot form is empty and originating voter has not expressed any wish to have the ballot completed in any way and leaves the decision on how to vote to the proxy holder
2. Ballot form is empty but the originating voter has expressed his wishes to the proxy holder in some fashion on how the ballot vote preferably is to be completed, but both parties understand that the proxy holder is under no obligation to comply with the originating voters wishes and can ignore them and complete the ballot vote as the proxy holder wishes
3. Ballot form is filled in, representing the originating voter's wishes for how the ballot vote should be completed, however both parties understand that the proxy holder is under no obligation to comply with the originating voters wishes, and can ignore them, destroy the completed ballot and request a new one on arrival at the voting location and complete the ballot vote as the proxy holder wishes.
