Subject: Public Records Requests: One Follow-up, One New

## **FIRST**

My recent Public Records Request of 24 items that were omitted from UPRD's responses to my "ITEM 11 and ITEM 12" was never acknowledged.

As such, we don't know if you are working on these or if I should instruct my attorney to file a Complaint for deficiencies to the 5 Day notice.

UPRD BOARD - are you supervising and providing oversight to the Public Records Custodian and District attorney or are you leaving it up to me to determine whether or not I bring this in front of a judge to determine the [in]adequacy of the Public Records Response and the judge's appetite to assess UPRD my legal fees?

We're giving you the courtesy of one last chance to reply before I instruct my attorneys to file at the end of this week.

Please advise.

## **SECOND**

One of UPRD's assets is The Varsity Club/Card Room. Assets in these rooms are owned and maintained by UPRD.

Non-Extensive Public Records Request:

- 1) Please provide invoices for security cameras, audio recording equipment, and other electronic equipment and installation of said equipment currently installed in The Varsity Club and the Card Room or that has been in these UPRD areas at any time since January 1, 2020.
- 2) Please provide any emails, communications shared amongst Supervisors, past and present, and/or PBM employees and or vendors regarding information/findings obtained through UPRD's or PBM employees' use of this equipment for surveillance and other monitoring activity (both lawful and unlawful) by UPRD or PBM employees of events and meetings held in The Varsity Club from January 1, 2024 to present.

Thank you
