Subject: RD Board Vacancy

ALERT: This message is from an external source. BE CAUTIOUS before clicking any link or attachment

I was surprised to see a resignation from the Board of a newly elected member that now creates a disruption which is extremely unfortunate. I strongly feel that the only fair and viable way forward is to appoint the person who received the next highest votes in the very recent election. Any other option does not honor the integrity of the election where members voted their choices.

No one in any other management position in the Park should have a say to the “appointment” of a new member of the RD Board who was not voted upon by the residents of UPCC. The election held is so very recent & the people’s choices/votes should be the determining factor.

I also do not believe we need to be paying another consultant. It’s already been voted upon.

Respectfully,
Kris Higgerson
