Subject: Board Seat Vacancy
Date: Thursday, April 16, 2026 8:49:22 AM

Dear Board Members:

I understand there is a board vacancy for which the board is considering appointing a new member. Why would the board solicit new resumes when we just had an election a few weeks ago.

I think the community voters spoke during that election and the board should consider the result of that election in their selection.

Sincerely,

Thomas Williamson
