FIRST ORDER OF BUSINESS

Organizational Matters

Call to Order, Roll Call, and Pledge of Allegiance

The meeting was called to order at 2:01 p.m. by Ms. Carvalho. Those in attendance are outlined above.

The Pledge of Allegiance was recited.

Public Comments

There were no public comments at this time.

Mr. Heitzner noted an offer has been extended and accepted for the Director of Facilities position pending background check.

Mr. Heitzner noted that he and Tom Christopher continue to communicate for a resolution.

Mr. Heitzner gave an update on the potential assessments:

"If we hear in the affirmative by August 28 then we are all systems go. No assessment for the irrigation and we move forward with the bond and its assessments.

If we do not hear from the Supreme Court by August 28 then there will be an assessment for the irrigation on your property tax bill

If we hear from the Supreme Court in the affirmative after August 28, we can then secure bonds, realize capitalized interest for one year and begin with those assessments on next year's tax role. The capitalized interest would be roughly \$700K and reduce the funds available for construction.

If the above happens, we still need to clarify if we can access \$20,600,000.00 or that amount minus what was assessed for the irrigation. Construction costs have increased significantly since the lawsuit was filed."
