Subject: Embracing Our History, Building Our Future... UPRD Capital Improvement Plan & Referendum/Homeowners Information Package Dcember 8, 2023

ALERT: This message is from an external source.**BE CAUTIOUS** before clicking any link or attachment

Supervisors,

The link below takes you to the Capital Improvement Plan packet that was published on 12/8/2023. It is located on the RD website. This contains details of the plan, including details of ideas that were considered and dismissed as part of the process. **On pages 16 and 18 there are hyperlinks that will take you to much more detail.**

The delays resulting from Litigant Dean Matt's unsuccessful appeals (dismissed by both the Manatee County Circuit Court and the FL Supreme Court) have meant increased costs for all of us in the Community.

For those of you who haven't seen this packet, it contains a very detailed history of the many considerations

given toward the final plan that was the basis for our successful Bond Referendum Vote back on January 16, 2024. Recall, and I quote..."the results of the Bond Referendum Vote are 579 'yes' votes and 363 'no' votes.

Sally Dickson
