Subject: question for you

Steve,

First, thanks for the time you are spending on behalf of the Community. It's a big challenge and I believe you are trying to do a good job for everyone, to the extent possible.

Functioning under Sunshine laws is a huge impediment to communication in almost every way. As a resident I don't feel like there is a forum to have my questions answered. The UPRD meetings provide the opportunity for 'Comments' but as Vivian often says, it's not a dialogue. Town Halls are a little better, but only slightly.

I know there must be other communities that are restricted in this way and I wonder if there is a good solution. David Murphy used to answer questions that were sent to him. Is there anyone on the BOS who is taking the responsibility to answer residents' questions.

By the way, Rusty really should be on the Board. I am perplexed and disappointed that Greg and Steve are letting their emotions get in the way of a good business decision. We all know that sometimes you have to work with people you disagree with.

Best regards,
Valerie Szymaniak
