At the UPRD meeting on Sept 11 Marissa Powers stated that UPRD currently has, and has always had, a 5 year Plan. She went on to say that anyone who wants to see it can, by making a request. Please consider this my request.

I don't think each resident should have to 'request' to see the Plan. It should be posted in clear view on the UPRD website for everyone to see without having to make an individual request. This is not only burdensome to the residents but also for Vivian and her team. Considering all the attention over the years focused on the need for a 5 year Plan, I would think the Board would want to put that issue to rest as soon as possible and as openly as possible.

I also think it's odd that various Supervisors including former Chair Dickson have openly stated that they did not have a 5 year Plan. In response to my request, John Fetsick said he had 8 versions (all accurate) of a 5 year Plan. Nothing he sent me was a 'Plan' by any definition of the term.

Marissa went on to say 'you may not like the format of the Plan, but it is a Plan'.
Great - let's see it. (no sarcasm intended).

Thank you
